BOOK RESUME: SNUFF

BOOK SYNOPSIS

In the crowded greenroom of a porn-movie production, hundreds of men mill around in their boxers, awaiting their turn with the legendary Cassie Wright. An aging adult film star, Cassie Wright intends to cap her career by breaking the world record for serial fornication by having sex with 600 men on camera—one of whom may want to kill her. Told from the perspectives of Mr. 72, Mr. 137, Mr. 600, and Sheila, the talent wrangler who must keep it all under control, *Snuff* is a dark, wild, and lethally funny novel that brings the presence of pornography in contemporary life into the realm of literary fiction.

REVIEWS AND PRAISE

“Often biting, often hilarious, often awful, but always compelling. . . . Palahniuk has crafted a world of sex devoid of titillation, where human suffering is shelved for a few moments when the cameras begin to roll.” —*Los Angeles Times*

“An absurd dark comedy about damaged people. . . . [Palahniuk’s] descriptive skills, his love of language and his weird humor are in top form.” —*The Seattle Times*

“Chuck and porn. Porn and Chuck—the two go together like fists and brass knuckles, moth and flame: a fatalistic coupling that happens to be, also, a perfect match.” —*The Washington Post*
